October Rotation Sunday School

Oct. 4: We conclude our study of the Bible story of Ruth. Students have also gone on a mission trip to the People's Republic of China, Hong Kong, Macau, and Taiwan—where more than a billion Chinese people live and where some of our LCMS missionaries live and work.

Oct. 11, 18, 25: We begin the study of God's Servant Samuel. Samuel served God as a little boy in the tabernacle and later as God's prophet. He was set apart from birth for the task of leading Israel out of captivity. He told the people about God's love and forgiveness.
